Big Truths for Young Hearts

Teaching and Learning the Greatness of God

With *Big Truths for Young Hearts*, Bruce Ware, (you guessed it!) a theology professor, encourages and enables parents of children 6-14 years of age to teach through the whole of systematic theology at a level their children can understand. Parents can teach their children the great truths of the faith and shape their worldviews early, based on these truths.

The book covers ten topics of systematic theology, devoting several brief chapters to each subject, making it possible for parents to read one chapter per day with their children. With this non-intimidating format, parents will be emboldened to be their children's primary faith trainers—and perhaps learn a few things themselves along the way.

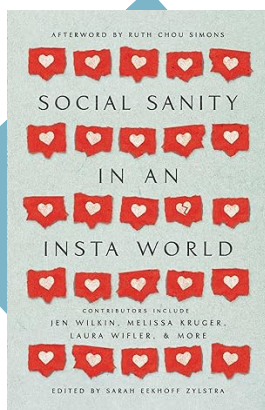

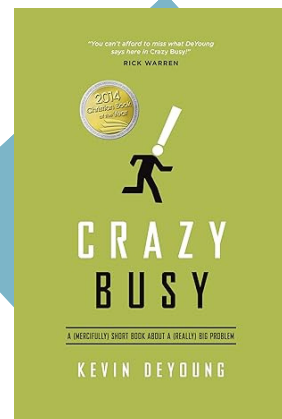

Crazy Busy

A (Mercifully) Short Book about a (Really) Big Problem

“I’M TOO BUSY!” We’ve all heard it. We’ve all said it. All too often, busyness gets the best of us.

Just one look at our jam-packed schedules tells us how hard it can be to strike a well-reasoned balance between doing nothing and doing it all.

That’s why award-winning author and pastor Kevin DeYoung addresses the busyness problem head on in his newest book, *Crazy Busy* – and not with the typical arsenal of time management tips, but rather with the biblical tools we need to get to the source of the issue and pull the problem out by the roots.

Social Sanity in an Insta World

Social media can be both a delight and a disaster for women who want to love God and love neighbor. The industry has grown so fast that it's been hard to figure out how to handle it wisely: in less than 20 years, more than 75 percent of American women have signed up for an account. The latest surveys show Americans spend more than two hours a day scrolling, posting, and liking. How can we navigate this area of our lives with grace and discernment?

Join nine authors as they explore social media's potential and pitfalls—along with the biblical principles we need to honor the Lord online.
