

Facilities Maintenance Technician

Job Type:

Part-time: 25 hours per week

2+ years of maintenance technician experience

Education:

High school or equivalent (Preferred)

Full Job Description:

We are looking for a part-time Maintenance Technician to undertake the responsibility to preserve the good condition and functionality of our 3 Campus Locations. You will be on standby to perform maintenance tasks as needed and reset rooms based on event and calendar needs.

Responsibilities:

- Performs a variety of preventive maintenance on equipment, building components, and facilities if needed.
- Learn basic functions of the HVAC and Boiler so that you can adjust and troubleshoot as needed
- Ensure adequate supplies are available in the restrooms (Paper towels, toilet paper, soap)
- Complete all classrooms set ups for on campus events if there are calendared
- Walk the campus and adjacent buildings to check
- Proven experience as maintenance technician with carpentry, painting, plumbing, and electrical repair experience

Experience:

- Knowledge of general maintenance processes and methods
- Working knowledge of tools, common appliances, and devices
- Be able to work within the physical demands of the job moving heavy objects

Experience:

Maintenance Technician a plus

Education:

High school or equivalent (Preferred)

Work Location:

To cover all 3 Campus Locations: South Austin, Dripping Springs & Buda-Kyle
