

Now Hiring: Part-Time IT/AV Production Coordinator

Location: Bannockburn Church (Multiple Campuses)

Schedule: Part-Time | Sunday Required

Bannockburn Church is seeking a Part-Time IT/AV Production Coordinator to help create powerful, Christ-centered worship experiences through expert management of audio, video, and lighting systems. This role blends technical skill with spiritual leadership, supporting pastors, worship leaders, and volunteers across all campuses.

Key Responsibilities:

- Lead and support production teams with both technical and spiritual guidance
- Collaborate with pastors and worship leaders to shape engaging worship services
- Oversee AVL systems, stage design, and multimedia content
- Execute technical elements for weekly services and special events
- Recruit, train, and disciple volunteers in both tech and faith
- Maintain vendor relationships and support IT infrastructure with our MSP
- Provide live troubleshooting and tech support during church events
- Partner with Creative and Communications teams on multimedia projects

Requirements:

- 3+ years **tech/production experience**
- Pro in AVL: **Live sound, lighting, projection, video streaming**
- Troubleshooting & signal flow **expertise**
- Train volunteers to assist with weekly worship services on multi-campus
- Reliable, flexible, teachable, and team-oriented
- Able to lift gear, climb ladders, and work at heights
- Familiar with **Mac OS, ProPresenter, Planning Center, ONYX, Resi (training provided)**
- Available Sundays, holidays, and some evenings
- Aligned with Bannockburn's Core Beliefs and willing to become a member within 8 weeks
- Open to ongoing training and development
